EDUCATION

Chitkara University | Punjab, India | 2019-Present

- Majors: B.E. Computer Science, CGPA: 9.97

Guru Nanak Foundation Public School | Patiala, India | 2018-2019

- HSC , Scored 83%

Guru Nanak Foundation Public School | Patiala, India | 2016-2017

- SSC, Scored 10 CGPA

PROJECTS

Chat App

- Realtime Chat Application built with ReactJs using Social Authentication through Firebase and dedicated chat APIs/sockets through Chatengine.

Weather App

- Built a weather app utilizing NodeJs, Darksy and Mapbox API. It helps to find current weather forecast for preferred location.

Recipe App

- Built a web portal which helps to find recipes. Used ReactJs, Bootstrap and Edamam API that provides free access to food database lookup and nutrition analysis. Any user can search for a word/food item and the search option will correspond to matching recipes.

TECHNICAL SKILLS

Proficient: NodeJs, ReactJs, Javascript, C, MongoDB, DBMS, Postman, Github, OS, MySQL, Netbeans and Visual Studio, Git, Microsoft Office, Java, Data Structures, HTML 5, CSS, Typing Speed: 45wpm.

Familiar: Bootstrap 4, C++, ExpressJS, Adobe Photoshop, Social Media Marketing, JIRA, Confluence, Mattermost, Slack.

EXTRACURRICULAR ACHIEVEMENTS
